## Old Age Pensioners Enjoy Christmas Party

A good crowd attended the annual Old Age Pensioners' Christmas party held in the Elks hall on Sunday evening.

Everyone felt gay and Christmasy what with colored paper hats, balloons and noise makers. The tables were decorated with small log candle holders which were very pretty and made by the girls of the CGIT.

Guests attending were Mayor and Mrs. F. A. Boushaff, Mr. and Mrs. W. Kovach, Mrs. D. Young, Mrs. M. Pavey, Mr. and Mrs. A. Saunders, Rev. and Mrs. F. Dykes, Rev. and Mrs. R. Macaulay, Rev. Father D. Fleming and Mr. and Mrs. F. DeCocco.

Grace was paid by Rev. F. Dykes and everyone sat down to a hot and delicious turkey supper served by the Royal Purple.

President N. Goulding then welcomed everyone and especially the new members and hoped that everyone would have a good time. She then introduced the Mayor.

Mayor A. Boushaff stated that for a group of Old Age Pensioners it was one of the most vital and active groups in town.

He then brought holiday greetings on behalf of himself and the town council to all present.

Mr. W. Kovach, M.L.A., was the next speaker. He told the group that the provincial government was backing the federal government in regards to the Old Age Pensioners and brought greetings from the Minister of Health and Welfare, H. Jorgensen, and said the minister had promised those who had not receive their increase in November would get same in December cheque just before Christmas.

He stated that it is hoped at the next legislation to lower the age limit for those receiving widows' pensions. He reminded all that the province paid half of the disabled persons' pensions and were entirely responsible for paying of widows' pensions and one quarter of the blind pensions were paid by the province. He then wished everyone season's greetings.

Mrs. Goulding thanked speakers and all who had helped to make the party such a success. She thanked F. DeCocco for the Christmas tree, the CGIT for table favors, Mr. and Mrs. D. Young for donation, Mrs. Parnowski for fruit cake and the Royal Purple for catering for a lovely supper.

Mrs. H. Boulton, on behalf of the members presented Mrs. N. Goulding and Mrs. E. Kostelnik with handbags and thanked them for their work on behalf of the Association. Both were at a loss for words as the gifts came as a surprise but they all thanked all for their kindness.

The regular business meeting followed with Mrs. N. Goulding officiating.

The minutes were read and approved. Correspondence was placed on file. The sick committee was glad to report that no members were ill.

Installation of officers was the next order of business. On a motion made by A. Wilson to return the present slate of officers for the 1958 term, was passed and all were re-elected by acclamation.

The slate includes:  
President, N. Goulding.  
1st Vice-president, E. X. Hill.  
2nd Vice-president, F. Bedington.  
Secretary-Treasurer, E. Kostelnik.  
Executive, H. Caroe, K. Johnston, F. Bond, A. Toppiano, R. Tiffen. One new executive member was elected to replace Mrs. R. Perry—Mr. J. Allen, who was chosen.

A vote of thanks was then tendered the officers by A. Wilson.

The Queen marked the close of the business meeting.

## Lions Sponsor Christmas Tree

Christmas has come to The Canadian Bank of Commerce in a big way this year.

A tremendous sized Christmas tree, very prettily and extravagantly decorated, occupies practically half the public lobby. As last year the Bank, under the sponsorship of the Coleman Lions Club, is allowing its tree to be used as a repository for Christmas gifts to the needy children of our town.

Unemployment this year in this area is greater than last and by you, the reader's help, it will be

possible to make a lot of children happy who might quite well be bitterly disappointed in Santa Claus this year.

Toys for all ages and sex are required, either new or used. Please wrap them up and designate them girl or boy with age group.

For those who prefer to give cash there is a receptacle by the Bank door, put in your coin and hear the musical "Thank you".

Your immediate response to the Coleman Lions Club appeal will be deeply appreciated by them and certainly help to establish Santa Claus more firmly in the minds of our young people.

Following the business meeting a delightful, side-splitting program was put on by members of the Loyal Purple.

Master of ceremonies and organizer of the program, Mrs. L. Moore.

A welcome song was sung by a group accompanied by Mrs. F. Spivak on the piano. They also sang "Hail to the Red Nosed Reindeer".

Mr. F. Bedington, accompanied by H. Bond, played a saxophone solo which was enjoyed.

Mrs. S. Castellano then sang two very beautiful Italian songs.

The ladies then wearing long white gowns did a very impressive Polka-dot drill with the beautiful Christmas flower standing out against the white. E. Kostelnik sang during the drill.

A piano solo by B. Bond was much enjoyed.

Mrs. E. Kostelnik sang a very beautiful solo "It is No Secret".

Community singing was enjoyed to the music of F. Bedington and B. Bond.

The program continued with the Royal Purple members doing a moon dance dressed in children's clothes and looking very cute with ribbons and bows in their hair, and with lobby act.

Another Italian song was sung by Mrs. Castellano and really enjoyed.

The latest in spring hats was then modelled by the male sex in the persons of S. Ostrowski, D. Filatov, M. D'Amico, W. Cherevsky and J. Haraachan.

The hats were made of pans, pan cleaners, funnels, plastic cups etc., and looked very fetching.

The audience voted on the headliner and J. Haraachan's fetching creation stole the show. He was presented with a trophy, something for the head, which turned out to be a bottle of aspirin—very appropriate we thought.

A pantomime song on "I Saw Mommy Kissing Santa Claus" was acted out by A. Wilson, looking very fetching as a child in pyjamas, candle and all. M. Zak as father and A. Jones as Santa Claus, and E. Kostelnik sang the song.

The Little Riddle School House with E. Kostelnik as teacher, was a howling success. With all the members dressed as children, both boys and girls. Answers were given there that we bet were never heard in any other school room.

Acting just like regular children or brats, should we say, they kept the audience laughing all during their appearance.

Mr. F. Bedington then rendered a very touching solo "The Lost Sheep in the Mountains".

A very funny boxing match took place between Sputnik and Mutnik. The results being a draw.

A closing song was then sung bringing a very wonderful and really enjoyable program to an end.

Royal Purple members participating in the different acts were: E. Moore, A. Vasek, F. Bartlett, H. Caroe, I. Caroe, M. D'Amico, H. D'Amico, E. Kostelnik, A. Wilson, I. Spivak, I. Petsuk, M. Cherevsky, A. Jones, M. Zak and E. Nelson.

Mrs. N. Goulding then thanked all those participating in the program for all the work put into the program and a sincere thanks for the lovely evening of entertainment.

Panning to the music of F. Bedington and B. Bond was then enjoyed.

Mr. A. Wilson donated a prize of \$5 for best waltzers for members over 70. Mr. and Mrs. J. Rush-ton were the winners.

Mrs. H. Allen was the winner of the fruit cake which was raffled.

## Pass Suffers Damage From Hurricane Force Winds

Hurricane force winds with gusts up to 100 miles an hour hit the Pass on Sunday causing heavy damage. Bellevue suffered the most damage with roofs blown off, windows broken, power lines knocked down and chimneys toppled. Power lines broken down caused a complete blackout of the Pass for over 25 minutes. Mr. Joe Shevels of Bellevue, was lifted by the wind and carried across the highway, he suffered a broken jaw.

In Coleman roof shingles were blown off, Power lines and telephone wires were broken causing the town to be cut off from outside communication. The large smoke stack at the International mine is leaning at a 45 degree angle. Windows were cracked by flying rocks. Many old timers stated they had seen heavy winds but none as strong or as damaging as on Sunday evening.

## IMPROVEMENT DISTRICT WANT SCHOOL BUS SERVICE

A delegation of citizens from the Improvement districts of Grafton Town, Willow Drive and East Coleman presented a demand for bus service before the Coleman School Board at its regular meeting last Wednesday evening. Statements of "We won't send our small children to school in blizzard conditions if they have to walk, and we want lunch room facilities provided for our children to eat their lunches in cold weather."

One Grafton Town resident wanted a school built in his area rather than send the children to the down town school. A question was asked if we of the Improvement District wanted to join the Consolidated School District could we, and would we get bus service. All of the above requests were answered in the negative except one which the Board stated they would make arrangements for.

The delegation in presenting the requests stated the various reasons why they considered bus service should be provided for their children. It was pointed out that during the winter months that terrible storms were encountered and that the small children had extreme difficulty in getting to and from the school.

The delegation asked if a bus-schedule could be worked out so as to provide the required services. One resident stated that it was practically impossible for small children to plow through the cold and snow for over a mile to get to school. Another stated that they would not send their children to school in bad winter conditions.

In answer to the above requests, Chairman of the Board, Mr. Steve Marx stated that the school act clearly defined the responsibility on the board in regards to transporting pupils. It was the board's responsibility to provide transportation to children residing through or more from the school. He stated further that the Department of Education would not assist in providing bus service to children inside the three-mile limit.

As to the working out of a schedule for the present bus it was impossible to include any of the areas requesting service, due to the requirements of transportation for 50 children from the Summit Lime Works, and the shuttle service between Central and Cameron schools.

The question of joining the Consolidated School District of the above-mentioned areas this could be done as they were included in the present school district.

Regarding bus service from the Consolidated district he stated that it would only provide service between the schools and that the children would still have to come to the down town schools to get on the bus.

On the lunch room problem the board stated that a room was provided for those children who through necessity had to bring their lunch to school. It was pointed out that a teacher was required to stay during the lunch hour, supervise these children, and that it had been found that children who lived only a short distance from school had taken advantage of this service so that as many as a hundred children were there at a time.

The board felt that if parents would see that their children who could quite easily come home for lunch did so, it would relieve the school of the congestion so as the

## Council Discusses TV Contract

At the regular meeting of the town council the TV contract with Parnell and Sons for the erection of a community antennae to service towns in the Pass with television was discussed.

Representatives were present from Blairmore and Bellevue councils as well.

The contract put forth by the Parnell contractors was found to be satisfactory to both and will be submitted to a solicitor for approval. It will then be signed by all interested parties.

All equipment will be ordered and work will start as soon as the contracts are signed.

Other business of the meeting was the approval of payment for a new three-ton truck for town work which was delivered recently. The truck was ordered paid for.

Council was also informed that the Civil Defence pumper which has been in Coleman for approximately two years, had been called back to Edmonton.

This pumper has been put to good use while here for large fires and outlying spots and will be missed here by the local fire brigade.

## Christmas Parties Open The Festive Season

The Crows Nest Chapter of the Association of Registered Nurses held their regular meeting at the home of Mr. and Mrs. L. Parsons at Blairmore.

Following the business meeting a social evening was enjoyed with games and contests being played.

First winner was Mrs. A. Fancher, second was Mrs. M. Johnson, and Mrs. C. Westley split the prize.

A delicious Chinese food supper was served by the hostess and enjoyed by all.

The next meeting of the group will be held at the home of Mrs. A. Krywolt on the first Thursday in February.

An enjoyable Christmas party was held at the home of Mrs. J. Nash, when members and guests of the Senior Ladies' Group of St. Paul's United Church held their annual party.

Rev. R. MacAulay showed some very interesting slides on the work in local and international groups throughout the church.

He showed some very amusing slides of his triplet daughters and their first birthday party.

Surprise packages were then distributed and opened.

Community singing was enjoyed. A solo was then rendered "Bless This House" by Mrs. A. Phillips, which was enjoyed.

A delicious supper was served by the committee.

## Oldest Resident To Reside at Coast

Mrs. E. McGrath, one of Coleman's oldest residents, both by age which is 87, and by term of residence, having come to Coleman with her husband, the late Michael McGrath in 1885, has left to reside with her daughter, Mrs. F. Jordan at Vancouver.

Mr. McGrath was foreman of CPR construction of bridges. When he quit this job he was carpenter at the McMillan mine until his death.

Mrs. McGrath has resided in Coleman since and on the death of her husband, lived with her daughter, the late Mrs. E. Horgan. She has only been away on short vacations since coming here in 1885.

She was a constant reader of The Journal and it will follow her to Vancouver.

Her many friends here wish her good luck in her new home.

## Former Coleman Resident Passes In Calgary

Joseph Cherry, 59, 1707, 28th Ave. S. W., Calgary, died in Holy Cross Hospital Tuesday after a brief illness.

Born in Vilaviskis, Lithuania, he moved to Coleman in 1926, and to Calgary four years ago.

He was a member of the United Mine Workers of America, and the Central United Church.

He is survived by his wife, Anna; a son, Dr. Donald J. Cherry, Calgary; and a brother and two sisters in Europe.

## Coleman Grands Lose Opener

The Coleman Grands lost their opening game of the season by a score of 6-3 to the high flying Cranbrook Sekirks at Cranbrook last Saturday.

The win gives Cranbrook top spot with four wins against no losses. Medicine Hat follows with two wins and no losses. Fernie with one win in three starts, Great Falls with one win in six games. Coleman has lost their only game.

In the first period Cranbrook opened the scoring on a goal by Robby. Jerry Scodellaro tied the game on a goal and a few minutes later Gettman put Coleman ahead for the only time in the game. Horquist, a terrific rushing defense man, tied the count at 2-2 with about two seconds left in the period.

The pace in the second was as fast as in the first. The teams battled from end to end. Then came the downfall of Coleman. Holding a man advantage because of a penalty to Ashbrook, Coleman's power play back-fired as Cranbrook scored two quick goals by Mitchell and Sullivan to put Cranbrook ahead 4-2.

Coleman narrowed the margin to 4-3 on a bouncing slapshot by Barry. Fraser. Drobot scored his second goal of the game as he picked up a loose puck in front of the Grands' net to make the score 5-3 at the end of the second period.

The teams showed signs of tiring in the last period, especially Coleman, who are still lacking in condition, due to lack of ice at their home arena.

The third period was a little lullied at times with both teams missing some fine chances on numerous occasions.

Late life in the Cranbrook net, enabled Coleman forwards of at least four sure goals, and Joe Joseph was equally brilliant in the Coleman net.

Nellian of Cranbrook scored what proved to be the last goal of the game as he broke away from a Coleman gangling attack and tallied on a rolling dribbler which Joseph partially stopped.

The final score read 6-3 in favor of Cranbrook.

The Grands will play their next game away from home again, as there is no ice in Coleman as yet. They will meet the Fernie Rangers in Fernie on Saturday, December 14th.

The Grands will play the Fernie squad in Blairmore on Wednesday, December 18th at 8:15 p.m. prior to their road trip to Great Falls.

Remember, hockey fans, that the trip to Great Falls is only two weeks away. Get your name in now.

## Coleman Elks Install Officers For 1958

On Saturday evening, December 7 Coleman Elks Lodge, No. 117, held their installation of officers for 1958.

After the installation ceremonies the floor was cleared and dancing was enjoyed by members of the lodge and their wives, ladies of the Royal Purple and their husbands and guests.

The evening closed with a buffet luncheon served by the Elks of mock (buffalo) steaks which were greatly enjoyed by all present.

Services will be held in McInnis and Holloway Park Memorial chapel Saturday at 11 a.m. with Rev. Dr. G. B. Switzer officiating.

Interment follows in Queen's Park cemetery.

## Sunday School To Hold Pageant

St. Paul's United Church Sunday School are working on a pageant entitled the "First Christmas". It will be held in the church on Monday, December 16.

The children will display by action that beautiful story of the birth of Christ, which never grows old. It is a very interesting story, and everyone should see it. Don't forget to keep the date open December 16 at 7 p.m. in the St. Paul's United Church.

### High Winds Continue To Plague The Pass

Extremely high winds from the past three weeks have plagued the Pass area, creating many problems.

Telephone and power services have been disrupted many times due to wind.

Dust has been a considerable nuisance as there is no snow in the area to hold it down.

It has been stated that winds have kept the snow from the area. We can vouch for that, as if anything not tied down is "Gone With the Wind".

There are numerous complaints in regard to television and radio reception, and it has been said that the wind is to blame for the poor reception.

The winds have not been of the cold variety, but not exactly the "blizzard" found in Southern Alberta.

### First Coleman Cub Pack News

(Column by Kenneth Murdoch)

The Wolf Cub Promise is another verse which you must know the meaning of and the words of the verse are:

I promise to do my best,  
To do my duty to God and the Queen,  
To keep the law of the Wolf Cub Pack,

And to do a good turn to somebody every day.

I promise to do my best, means that you should always do your best at all times. There is a legend that tells of a man who tried to reach the sun with his bow and arrow. Each time he tried it got higher and he was trying his best.

To do my duty to God and the Queen means that you should always go to church and obey the laws of the country.

To keep the law of the Wolf Cub Pack is to always do what the law says.

And to do a good turn to somebody every day is that a cub should do anything he is asked.

### Second Coleman Cub Pack News

(By Denis Collister)

The first cub was too big so a second pack was founded with Mr. F. DeCecco and Father Fleming at the head. The second cub pack meets in the Catholic hall on Monday at 8:30. In the pack there are six cubs, red, yellow, tawny, blue, orange, and white. We were in Lethbridge to attend the rally. In the election in Oct. for a senior sixer Denis Collister received the highest number of votes. We have been on many hikes and picnics and we intend to have a Christmas holiday party for the mothers. To raise funds we are going to have a Christmas tree sale on Sat., Dec. 14, in the Catholic Church yard. Each tree will cost \$1.00. Anyone wishing a tree may phone Father Fleming or Mr. DeCecco.

From the second cub pack we extend Christmas wishes to all.

### Turkey Bingo Proves Popular

The Canadian Legion clubrooms were well filled on Friday evening when Bingo fans tried to win the lively large turkeys which were offered as prizes.

No one, however, was lucky enough to win the 30.00 jackpot. This will make the next Bingo jackpot on December 20 a goodly sum of \$35.

Mary Vicen was the winner of the jackpot consolation.

The next Bingo night prizes will also be turkeys.

Lucky winners of turkeys were:

Mrs. H. Garner, R. Crippen, Mrs. A. Chalmers, Mrs. H. Raymond, Mrs. E. Rusk, M. Juhila, Mrs. J. Sindworth, J. Goulding, Mrs. W. Moxell and A. Anderson, split.  
Door prize winner was Mrs. G. Clarke.  
Consolation winner was Mrs. A. Phillips.

The Ladies' Auxiliary to the Legion raffled their lovely bedspread and four pillows on Friday night also. The bedspread was won by Joe Crippen (wins with ticket No. 359). The pillows were won by Pat Rusk with ticket No. 757. Hevitor Pivitor made the draw.

### Legion Dart Tourney Continues To Give Turkeys

Winners of the Legion's Dart Tournament continue to grow as the tournament reaches its climax.

Last Saturday saw intensive action by the surviving players for the turkeys and chickens offered as prizes.

Winners in the events last Saturday were:

Turkeys, R. McCarty of Calgary, and Magnus Juhila.

The chicken winners were, Joe Myslicki and Jimmy Ewing.

All of the above winners will not be allowed to play, as well as the first tournament winners in this week's competition.

### Tree Uprooted By Wind

(MacLeod Gazette)

Wednesday's wind was so strong that it uprooted a tall spruce tree in the lawn of 101-18th street during the afternoon.

This tree is one of four which were brought down from Crooks Nest Lake in 1903 just after the

Frank Slide by the late S/Sgt. Jack Allan, then stationed at Frank with the NWMP and were conveyed behind the saddle on his police horse.

The late Teddy Bryan had requested Jack to bring him some evergreen trees to plant near his house. They were planted and did well growing to 50 feet in height in the past 54 years and were probably one year old when dug up.

The other three are still solid despite the buffeting of west winds.

Circumference of the uprooted spruce is 33 inches at the butt.

### SAFEGUARDING ALBERTANS AGAINST FIRE WASTE

The Fire Commissioner is appointed by the Provincial Secretary. He is in charge of that Branch of the Department which administers the Fire Prevention Act and The Lightning Rod Act. The Fire Commissioner's Branch is well qualified in all phases of fire prevention and control. The inspection staff has experience and knowledge which is available to all Municipal Fire Chiefs throughout the province, if required. The assistance of the Department is especially beneficial to the volunteer fire brigades in smaller communities. The branch provides an educational program designed to familiarize firemen with the latest methods of fire fighting. Fire Prevention films are shown at meetings of interested local groups as well. Inspections of buildings are also regularly carried out in co-operation with the local fire department. Investigation into the origin and circumstances of fires frequently provides information which the Department finds valuable for fire prevention. Hospitals, schools and other public institutions are inspected for fire hazards and any necessary changes ordered for protection of life and property.

The proper means of storage and handling of explosives and flammable materials is also controlled. The public is the most important ally of the inspectors in their endeavour to reduce the incidence of fire. It is essential that individuals inspect their own property for fire hazards. The Department provides a safety check list for property owners who wish to make this inspection of their property. Use the coupon on this page to obtain your copy. Specify "Safety Check List". The Fire Commissioner and his staff stand ready to give advice and assistance in co-operation with the local fire department, to make your community as safe from fire as possible. The Public can do its part by using this assistance to maximum advantage.

### St. Alban's Hold Successful Drive

On Wednesday, December 4th at the St. Alban's hall, another very successful whist drive took place, sponsored by the Vestry of St. Alban's.

These whist drives are beginning to be very popular.

Forty-eight people sat down to an entertaining evening followed by a satisfactory lunch served by the Ladies of the Women's Auxiliary and the Vestry.

Prizes were as follows:

Ladies' 1st Mrs. E. Jones, a ham donated by Canada Packers Ltd.; Ladies' 2nd, Mrs. J. Derbyshire, \$3 grocery hamper donated by Mike Mogus.

Men's 1st, Mr. J. Park, a ham donated by Union Packers Ltd.; Men's 2nd, Mrs. S. Wavrean, 100 pounds of potatoes donated by Mike Mogus.

Due to a mix-up in cards two further prizes were awarded to Mr. H. Bouthillier, \$3 grocery hamper, donated by Zak's Groceries; Mrs. I. Spiveak, a set of scarf and mitts. The consolation prize of a games book went to Mrs. E. Clarke.

Because of the good response to these drives the Vestry has planned to continue them on a monthly basis and the next will take place at the Elks hall on Monday, January 20 at 8 p.m.

All are welcome to come and enjoy these friendly social evenings.

The members of the Ukrainian Society stated that they wished to thank all of the persons who made such a wonderful event of the bazaar. Especially to the firms who donated prizes for the grand draw. They hope that they will be able to hold another one in the near future.

### November Wedding For Coleman Girl

Holy Ghost Catholic Church was the scene of a lovely mid-morning wedding on Saturday, November 30 when Father Denis Fleming united in marriage Miss Margaret Julia

Wesko, RN, and Harry Edward White, both now living in Lethbridge.

The double ring ceremony was performed for the daughter of Mr. and Mrs. W. Wesko of Coleman, and the son of Mr. and Mrs. H. White of Pincher Creek, and formerly Bellevue residents.

Organist was Miss Helen Morris of Coleman, and soloist was Miss Connie Holobosky of Lethbridge.

Given in marriage by her father, the bride was radiant in a floor-length gown of traditional white satin and net, with lace inserts in the skirt. The bodice featured long lily point sleeves and a square neckline, fashioned with seed pearls and sequins.

Her shoulder length veil mistled from a headpiece of lace and net, and she carried a cascading bouquet of red and white roses. Her only jewellery was a single strand of pearls, a gift of the groom.

Attendants were two sisters of the bride, Alice and Anne Wesko, of Coleman who wore similar waltz length strapless dresses of net and tulle, with matching boleros in shimmering color and blue respectively. They both carried bouquets of pink carnations.

Flower girl was little Linda White, of Bellevue, niece of the groom, who was frocked in a short dress of yellow nylon with matching accessories. She carried a bouquet of yellow carnations.

Ring-bearer was Alan Hudz, of Calgary, nephew of the groom. Best man was Andy Schile of Calgary, and groomsmen was Bill Wesko, Jr., of Lethbridge, brother of the bride, Tom Dowson of Hillcrest and Miss Hudz of Calgary, ushered the guests.

At 6 p.m. a reception was held in the Coleman Elks hall with near 100 guests present.

White wedding bells decorated the hall and a three-tiered wedding cake, topped by a bride and groom, centred the bridal table.

A toast to the bride was proposed by the best man with the groom responding. A highlight of the reception was a telegram from the bride's uncle, Bill Maskarinec, Prague, Czechoslovakia, conveying best wishes to the happy couple.

For her daughter's wedding, Mrs. Wesko chose a dusty rose lace dress with daisy accessories and wore a corsage of yellow roses. Mrs. White wore an afternoon dress of blue with black accessories and a corsage of red roses.

For travelling the bride changed to a fitted suit of aqua with black

accessories and complemented by a corsage of red roses.

Following a two-week honeymoon in California the young couple will take up residence in Lethbridge, where the groom is on the staff of the Royal Bank of Canada.

The groom was employed for a time at the Royal Bank of Canada in Baltimore several years ago.

Mrs. White, who is a 1957 graduate of St. Michael's Hospital School of Nursing will join the staff of St. Michael's.

Out of town guests at the wedding were from Lethbridge, Calgary, Michel and Natal.

## "There Is Beauty In Extreme Old Age"

(Author's Name Below)

All members of the health team have one common  
desire; to help you to live a healthier and longer life.  
Old age is no longer measured in years but by how  
youthful you feel.

It is entirely possible for you to greatly enjoy the  
extra years that improved medical techniques can add  
to your life. Place yourself more in your physician's  
skilled care. He will, if necessary, prescribe one of the  
new sustaining medicines or geriatric vitamins that  
assist your body to stay young longer.
